

# Planning for Hope

What are some hopes you have for your own future? These could be hopes:

- for your life right now
- for your summer
- for your next school year
- for your high school years
- for your life after your high school graduation
- for your adult life

Brainstorm a list of your hopes and how you might make them happen:

	What hopes do you have for yourself and your own life? List at least five here:	Are there steps you can take to make these hopes happen? (yes or no)

Now choose ONE of your hopes that you can work toward in your life. Then list the steps you could take to see your hope realized, possible obstacles you might encounter and how you could work through them:
