

Template: Summative Assessment Through Play Rubric

Subject	What is being assessed? <i>(measurement, number recognition, classifying objects, ordering, simple addition/subtraction)</i>	How is it being demonstrated? <i>(Provide examples of play you see. Is it through building/making something? Through art? Creating a story to act out?)</i>	How will it be evidenced? <i>(video, photos, portfolio work, centers work, discussions between children, discussions with teacher, through questioning)</i>
Example: Numeracy			
Example: Literacy			
Example: Social/Emotional			
Example: Concept
