

Creating your WICK

<p><u>W</u>eird</p> <p>Americans eat 56 pounds of corn a year!</p>	<p><u>I</u>nteresting</p> <p>Corn is in so many things.</p>
<p><u>C</u>onfusing</p> <p>Why would farmers keep growing corn without rotating crops?</p>	<p><u>K</u>new this already/Kinda Like</p> <p>Corn grows in rows. This reminds me of multiplication.</p>
