

DO NOW:

Read the poem "Music" and answer the questions in your small group.

Music

I am joy

Filling peoples' hearts with beats

I am like Flame

Filling peoples' ears with heat

On every station it's hot you can't stop my heat

I taught One Republic, Jay, Dre and Wes Khalifa how to rock the beat

Music is everybody's soul

Music makes people whole

Discuss and the below questions in your small groups:

1. Identify and underline/highlight one of the following examples figurative language:
 - a. Simile
 - b. Metaphor
 - c. Personification

2. What is the poet's message or theme in "Music?"
