Dear Mr Rogers,

I think Amelia  
Bedelia should be  
fired because she  
does almost every  
thing wrong. First,  
she put flowers  
in cooking pots  
when she was  
suppose to put them  
in flower  
pots. This made  
you really mad

because you didnt  
have any cooking  
pots to cook with.  
second she gave  
you a raw egg  
and when you  
picked up the egg  
it broke. You  
were mad and so  
you told Amelia  
Bedelia to go fly  
a kite. shes a  
bad maid you should fire her.
