

ACTIVE READING

01 Before Reading

- * What does the title make you think if?
- * What predictions can you make based on the title?
- * Can you make any predictions based on the format/layout of the text?
 - Does the text have a picture to prompt a prediction?

During Reading 02

- Pause every couple of pages to think.**
- * What questions do you have? What do you wonder?
 - Can you infer an answer?
 - * What predictions can you make?
 - How do you feel?
 - What techniques has the author used to make you feel this way?

03 After Reading

- * What theme(s) did the text emphasize?
- * What do you think happened after the story ended?
- * How do you feel after reading the text?
 - How does this connect with the author's intent?

04 Evaluation Task

Now that you've read the text, understood what you've read and constructed meaning from the text, your teacher will assign you a task to demonstrate your knowledge.
