

Community Dog Park Assessment Tool

Students will circle where they think they are. Then, talk with your teacher about why you think this.

Learning	Where I am	Why I Think this
I will plan a dog park that is safe for dogs and humans		
I will be a good member of my community.		
I will share my dog park ideas and reasons with my classmates.		
I will use numbers to help make decisions.		
I will use information from books, talking, and listening to help make decisions.
