

## Amana Academy North Star Walk-Through Indicators

Indicator	Class	Class	Class	Class	Class	Class	Class	Class	Class	Class	Class	Class
Teachers provide learning tasks that are aligned to (and when possible, go beyond) the standards.												
Teachers connect learning activities to their students' lives or broader context.												
Students display genuine interest in work (rather than just compliant behavior).												
Students track their progress toward the learning target.												
Teacher uses total participation technique or intentional monitoring to check for understanding.												
Teacher engages students in a discussion protocol to encourage peer collaboration.												

**Rating Scale: E-Evident; SE-Somewhat Evident; NE-Not Evident; N/A-Not Applicable**

Source: The Walk-Through Indicators were developed by [EL Education](#) and are available in the EL Dimensions platform for partner schools.

This sample via [Amana Academy](#), Alpharetta, GA, and [Edutopia](#).
