

# Knowledge Mobility Survey

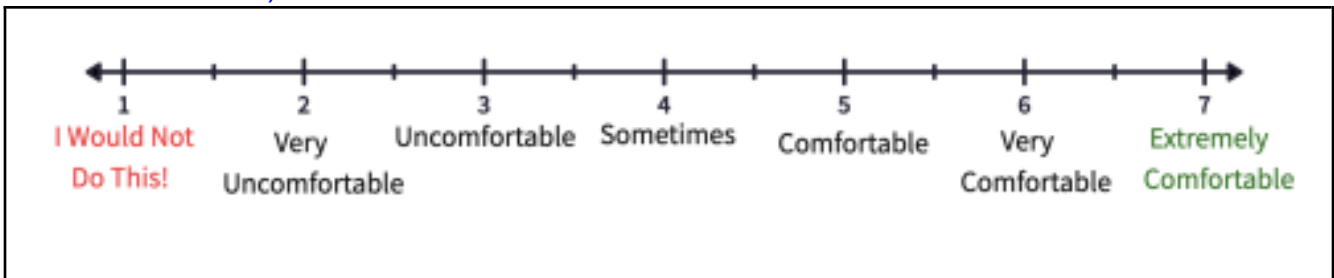

Name: \_\_\_\_\_ Class: \_\_\_\_\_ Date: \_\_\_\_\_

For each question, add an X, in pencil, on the number line in the place that best represents your answer.

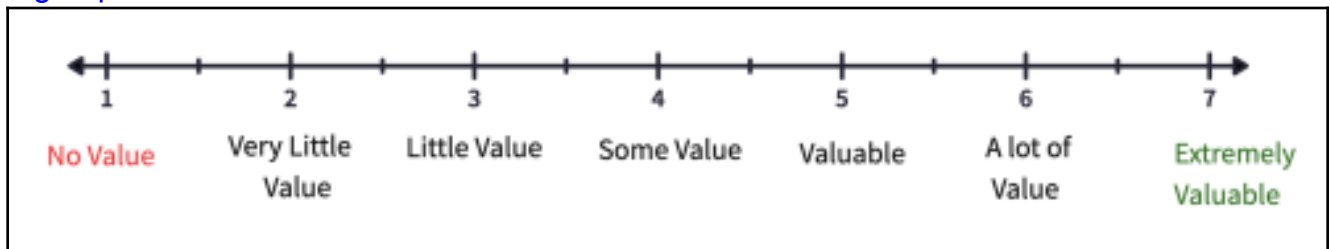

1. While working with your group on your vertical boards, how comfortable would you be if another group approached your group to “borrow” an idea from your board (get an idea, compare answers, or debate solutions)?

2. While working on vertical boards, how comfortable would you be **traveling to another group** to “borrow” an idea from their board (get an idea, compare answers, or debate solutions)?

3. Do you think there is value in your group being able to “borrow” ideas from other groups?
