

## Origami Dog

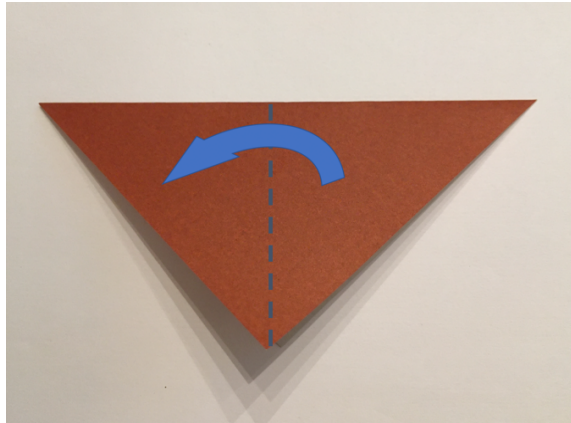

1. First, place a piece of square paper (colored side facing down if it's colored on one side).

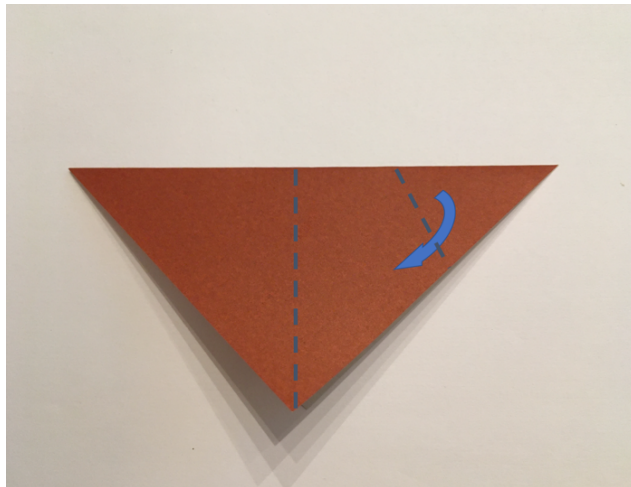

2. Fold it in half by folding from top to bottom.

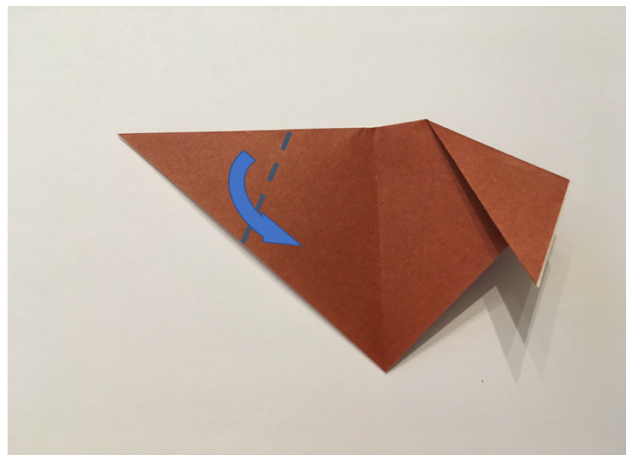

3. Fold in half again by folding one corner to another corner.

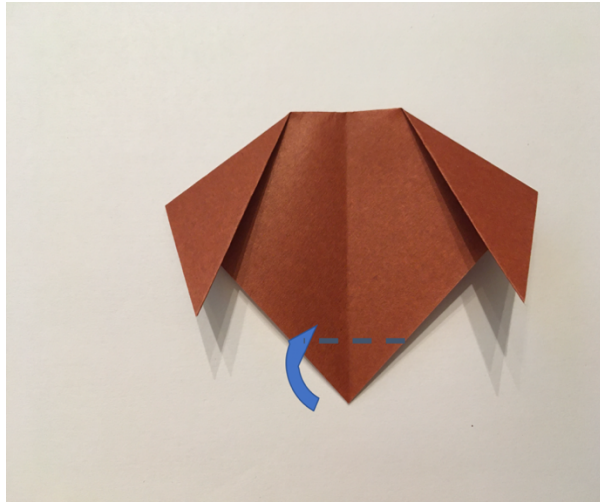

4. Unfold, then fold the right corner down.

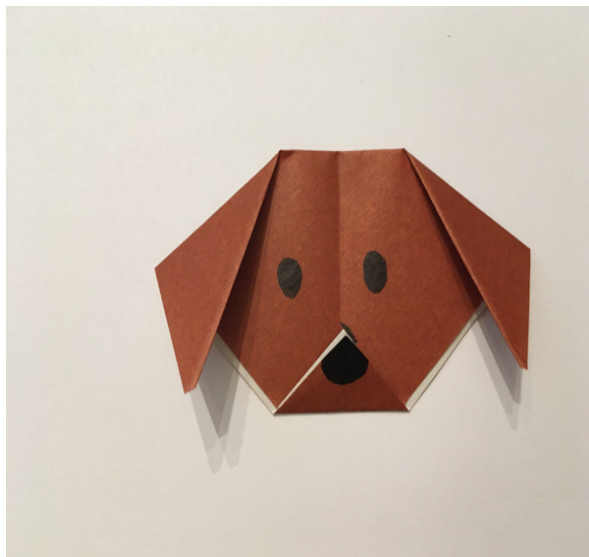

5. Fold the left corner down.

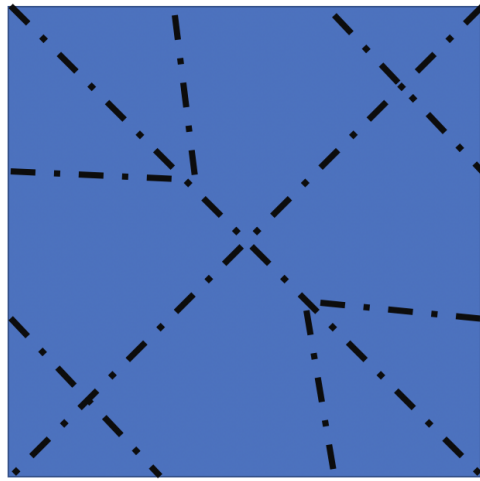

6. Fold the bottom corner up.

7. Draw the dog's face.

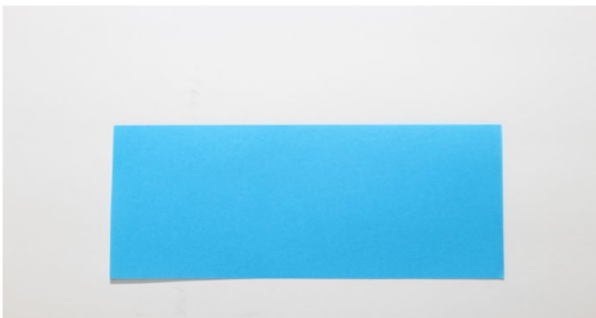

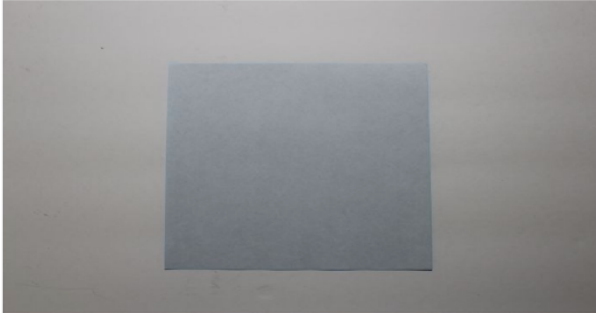

8. Unfold the completed origami dog and ask students what they notice.

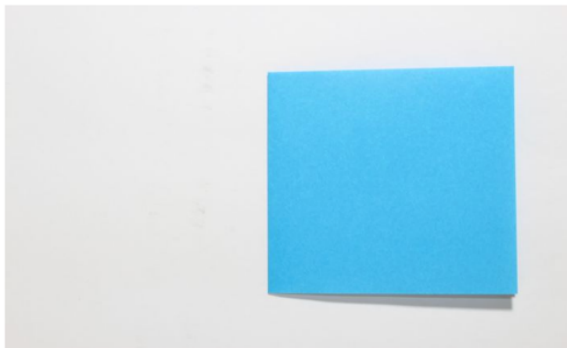

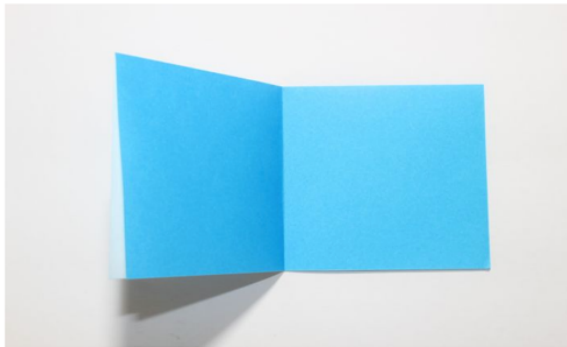

## Origami House

1. With a square piece of paper, fold down the top half.

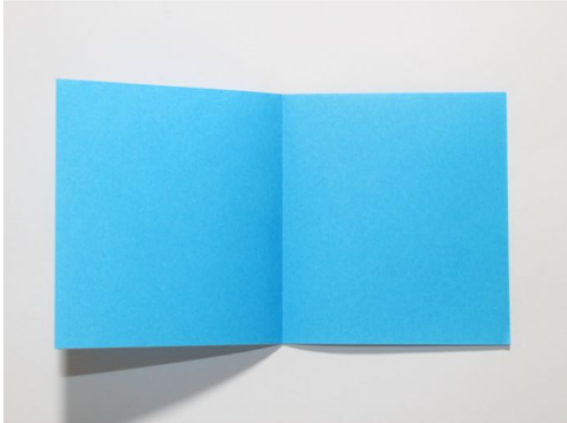

2. Fold the left half of the rectangle over to the right edge.

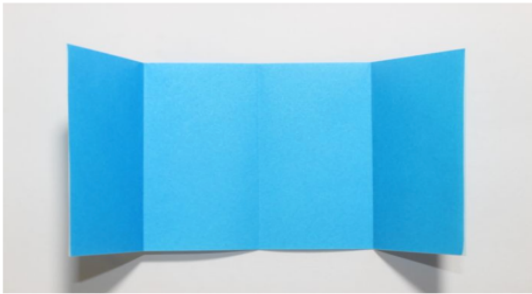

3. Unfold.

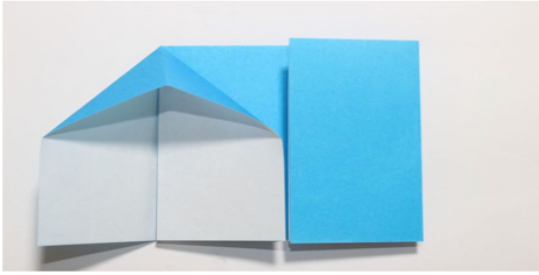

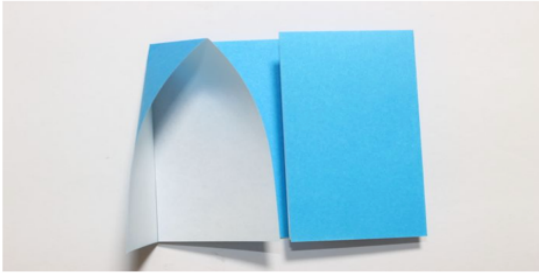

---

4. Fold the left and right edges to the center.

5. Open the left flap and flatten it.

6. Repeat on the right side.
