

AI Critique Rubric

| Category | 3 Points (Great) | 2 Points (Okay) | 1 Point (Needs Work) |
|--------------------------------|---|---|---|
| Relevance to the Prompt | The ideas are directly related to the prompt. | The ideas are somewhat related to the prompt but they could be better connected to the topic. | The ideas are not related to the prompt or don't make sense for the task. |
| Clarity of Ideas | The ideas are easy to understand and include clear steps. | The ideas are somewhat clear, but some details are confusing or hard to follow. | The ideas are unclear or hard to understand, with no clear steps to follow. |
| Creativity | The ideas are unique, exciting, and use new or fun methods. | The ideas are somewhat creative but not very unique or exciting. | The ideas are not creative and feel plain or boring. |
| Ethical Considerations | The ideas are respectful, kind, and inclusive, making everyone feel good. | The ideas are mostly kind but might accidentally leave someone out or be less thoughtful. | The ideas are not respectful, kind, or fair, and could hurt someone's feelings. |

How to Use the Rubric:

1. After getting a response from the AI, read through its suggestions.
2. Score each category from 1 to 3 points.
3. Total up the points to evaluate the overall quality of the AI's response.
4. Discuss how to improve the ideas if needed before using them!
