

Class Closer Menu

(Please don't pick a closer that has been chosen this week)

- **Key Word**

Go around the table and ask each student to share a key word that relates to the lesson

- **Low Stakes Quiz**

Ask three quiz questions related to the lesson

- **Snowstorm**

Have everyone write down one sentence about what they learned today and crumble it up. Next, they throw their paper and pick up another paper and we read them around

- **Six Word Headline**

Share a headline that summarizes the lesson that you have written, that is exactly six words long

- **TQA**

Go around the table, starting with yourself. Ask each student to share either a "thought" about today's class, a "question" about today's class, or an "Ah-Ha!" about today's class

- **Red light, Yellow light, Green Light**

Go around the table starting with yourself. Ask each student to share either a "red light" something they still don't understand about the text or the lesson, a "yellow light" something they are starting to understand about the text or the lesson, or a "green light" something they understand clearly about the text or the lesson.

- **Community Builder**

Ask a school-appropriate ice-breaker question, for example, what's the best breakfast cereal? What commercial jingle will you never forget? Starting with yourself, go around the table sharing answers
